Part I Pathology of Aquatic Animal Species 1

Introduction to the Manifestation of Disease and Major Pathogens 1

1 Aquatic Invertebrates 3

Acacia Alcivar-Warren, Kelly Bateman, Morag Clinton, Leo Foyle, Gregory Lewbart, Richmond Loh, and Julius Tepper

Porifera (Sponges) 4

Overview 4

Clinical Signs 4

Coelenterates 4

Taxonomic Overview 4

Key Points 4

Clinical Signs 7

Clinical Signs: Corals (Anthozoans) 7

Diseases of Coral in Cultivation and Aquaria 7

Diseases of Small Polyp Stony Coral 7

Acropora-Eating Flatworm 7

Parasitic Copepods/Amphipods 10

Ciliates 11

Montipora-Eating Nudibranch 11

Diseases of Large Polyp Stony Corals 13

Euphyllia Flatworms 13

Dendrophilia-Eating Nudibranch 14

Diseases of Zoanthids 15

Zoanthid-Eating Nudibranch 15

Zoanthid Sea Spider 15

Other Parasites 15

Red Planaria (*Convolutriloba retrogemma*) (Figure 1.17) 15

<i>Vermetidae</i> Infestation	17
Class Hydrozoa	18
Introduction	18
Infectious Diseases	18
Mollusks (Bivalves)	19
Anatomy and Clinical Features	19
Clinical Differentials	21
Specific Diseases	22
Other Pathologies	26
Zoonoses	26
Abalone	27
Culture Methods	27
Breeding	27
Anesthetics	27
Environmental Requirements	27
Infectious and Parasitic Diseases	29
Helminths	30
Non-Infectious Diseases	31
Miscellaneous Findings	31
Sampling for Laboratory Testing	31
Cephalopods	32
Gastropods	32
Crustacea	32
Overview	32
Biology	33
Aquaculture and Economic Significance	35
Aquaria	37
Disease and Diagnostics	37
Clinical Signs	39
Specific Diseases	40
Notifiable Diseases	40
Freshwater Infections	57
Non-Notifiable Diseases	59
Zoonoses	61
References	62
Appendix 1.1	74
2 Teleost Fish	81
<i>Laura Urdes and Marius Hangan</i>	
Parasitic Diseases	81
Ectoparasites	81
Flukes (Monogenean Parasites)	81
Digenean Black Spot Disease	83
Turbellarian Black Spot Disease (Tang Disease, Black Itch)	85
Piscicolosis	87
Fish Henneguya (Henneguyosis)	87
Parasitic Crustacean Infestations	89
Endoparasites	93

Fish Eustrongylides (Eustrongylidosis)	93
Fish <i>Anisakis</i> (Anisakidosis)	95
Fish Tapeworm Infection (Diphyllobothriasis)	96
Fish <i>Triaenophorus</i> (Triaenophorosis)	97
Intestinal Ligulosis	99
References	100
Appendix 2.1	103
Appendix 2.2	107
Appendix 2.3	111

3 Amphibians 115

María J. Forzán

Ranavirosis	115
Overview	115
Etiology	115
Host Range and Transmission	115
Signs and Diagnosis	115
Differential Diagnosis	116
Prevention, Treatment, and Control	116
Bacterial Dermatosepticemia (Red Leg Syndrome)	116
Overview	116
Etiology	117
Host Range and Transmission	117
Signs and Diagnosis	117
Differential Diagnosis	117
Prevention, Treatment, and Control	117
Ammonia Toxicity	117
Overview	117
Etiology	118
Host Range	118
Signs and Diagnosis	118
Differential Diagnosis	118
Prevention, Treatment, and Control	118
Gas Bubble Disease	118
Overview and Etiology	118
Host Range	118
Signs and Diagnosis	119
Differential Diagnosis	119
Prevention, Treatment, and Control	119
Frog Chytridiomycosis	119
Overview	119
Etiology	120
Host Range and Transmission	120
Signs and Diagnosis	120
Differential Diagnosis	120
Prevention, Treatment, and Control	120
Salamander Chytridiomycosis	120
Overview	120

Etiology	121
Host Range and Transmission	121
Signs and Diagnosis	121
Differential Diagnosis	121
Prevention, Treatment, and Control	121
Renal Calculi (Oxalate Toxicity or Nephrocalcinosis)	122
Overview	122
Etiology	122
Host Range	122
Signs and Diagnosis	122
Differential Diagnosis	122
Prevention, Treatment, and Control	122
Mycobacteriosis	122
Overview	122
Etiology	123
Host Range and Transmission	123
Signs and Diagnosis	123
Differential Diagnosis	124
Prevention, Treatment, and Control	124
Pulmonary Nematodiasis	124
Overview	124
Etiology	124
Host Range and Transmission	124
Signs and Diagnosis	124
Differential Diagnosis	125
Prevention, Treatment, and Control	125
Hypovitaminosis A (Short-Tongue Syndrome)	125
Overview	125
Etiology	125
Host Range	125
Signs and Diagnosis	125
Differential Diagnosis	125
Prevention, Treatment, and Control	126
Corneal Lipidosis	126
Overview	126
Etiology	126
Host Range	126
Signs and Diagnosis	126
Differential Diagnosis	126
Prevention, Treatment, and Control	127
Renal (Lucké's) Adenocarcinoma	127
Overview	127
Etiology	127
Host Range and Transmission	127
Signs and Diagnosis	127
Differential Diagnosis	127
Prevention, Treatment, and Control	127

Herpesvirus Skin Disease	127
Overview	127
Etiology	128
Host Range and Transmission	128
Signs and Diagnosis	128
Differential Diagnosis	128
Prevention, Treatment, and Control	129
Hemoparasites	129
Overview	129
Etiology	129
Host Range and Transmission	130
Signs and Diagnosis	130
Differential Diagnosis	130
Prevention, Treatment, and Control	130
Ascites/Lymphedema	130
Overview	130
Etiology	131
Host Range	131
Signs and Diagnosis	131
Differential Diagnosis	131
Prevention, Treatment, and Control	131
Other Fungal Diseases	131
Bibliography	131
Appendix 3.1	134
4 Reptiles	136
<i>Karina Jones and Ellen Ariel</i>	
Introduction to the Manifestation of Disease and Major Pathogens of Aquatic Reptiles	136
Marine Turtles	137
Prevention and Control of Marine Turtle Diseases	138
Viral Disease	138
Fibropapillomatosis	138
Lung–Eye–Trachea Disease	140
Gray Patch Disease	140
Parasitic Disease	141
Spirorchiiidiasis	141
Coccidiosis	143
Bacterial Diseases	143
Fungal Diseases	144
Overview	144
Non–Infectious Disease	145
Buoyancy Disorder/Floater’s Syndrome	145
Trauma	147
Cold Stunning	149
Freshwater Turtles	150
Diseases of Freshwater Turtles: Transmission, Prevention, Treatment, and Control	151
Bacterial Disease	151

Viral Disease	152
Ranavirus	152
Herpesvirus	153
Trionyx Sinensis Hemorrhagic Syndrome Virus	154
Nidoviruses	154
Fungal Disease	155
Parasites	155
Crocodylians	156
Prevention and Control of Crocodylian Diseases	156
Viral Disease	157
Poxviral Infections	157
Systemic Lymphoproliferative Syndrome With Encephalitis	157
Adenoviral infection	158
West Nile Viral Disease	158
Parasitic Disease	159
Cutaneous Paratrichosomiasis	159
Coccidiosis	160
Bacterial disease	160
Overview	160
Etiology	160
Host Factors and Transmission	161
Gross and Clinical Signs	161
Diagnosis and Differential Diagnosis	161
Treatment	161
Nutritional Disease	161
Overview	161
Etiology	161
Host Factors and Transmission	161
Gross and Clinical Signs	161
Diagnosis and Differential Diagnosis	162
Treatment	162
Gout	162
Overview	162
Etiology	162
Host Factors and Transmission	162
Gross and Clinical Signs	162
Diagnosis and Differential Diagnosis	162
Treatment	162
Marine Iguanas	163
Sea Snakes	163
Bibliography	163
Appendix 4.1	173
5 Aquatic Birds	177
<i>Nicole M. Nemeth</i>	
Parasitic Diseases of Major Taxa	177
Ectoparasites	177
Metazoan Parasites	177
Hemoprotozoans and Intracellular Protozoans	179

Viral Diseases	180
Avian Poxvirus Disease	180
Overview and Etiology	180
Signs and Diagnosis	180
Differential Diagnoses	181
Treatment/Management	181
Duck Virus Enteritis (“Duck Plague”)	181
Overview and Etiology	181
Signs and Diagnosis	181
Differential Diagnoses	182
Treatment/Management	182
Avian Influenza	182
Overview and Etiology	182
Signs and Diagnosis	182
Differential Diagnoses	183
Treatment/Management	183
West Nile Disease	183
Overview and Etiology	183
Signs and Diagnosis	184
Differential Diagnoses	184
Treatment/Management	184
Eastern Equine Encephalitis	184
Overview and Etiology	184
Signs and Diagnosis	184
Treatment/Management	184
Newcastle Disease	184
Overview and Etiology	184
Signs and Diagnosis	185
Differential Diagnoses	185
Treatment/Management	185
Wellfleet Bay Virus Disease	185
Overview and Etiology	185
Signs and Diagnosis	185
Treatment/Management	185
Aquatic Bird Bornavirus 1 Disease	186
Overview/Etiology	186
Signs and Diagnosis	186
Treatment/Management	186
Bacterial Diseases of Major Taxa	186
Salmonellosis	186
Overview and Etiology	186
Signs and Diagnosis	186
Differential Diagnoses	186
Treatment/Management	187
Mycobacteriosis (Tuberculosis)	187
Overview/Etiology	187
Signs and Diagnosis	187
Differential Diagnoses	187
Treatment/Management	187

Pasteurellosis	188
Overview and Etiology	188
Signs and Diagnosis	188
Differential Diagnoses	188
Treatment/Management	188
Chlamydiosis	188
Overview and Etiology	188
Signs and Diagnosis	188
Treatment/Management	188
Infection with <i>Reimerella anatipestifer</i>	189
Overview/Etiology	189
Signs and Diagnosis	189
Differential Diagnoses	189
Treatment/Management	189
Fungal Diseases of Major Taxa	189
Aspergillosis	189
Overview and Etiology	189
Signs and Diagnosis	189
Differential Diagnoses	190
Treatment/Management	190
Candidiasis	190
Overview and Etiology	190
Signs and Diagnosis	190
Non-Infectious Diseases of Major Taxa	190
Trauma	190
Overview and Etiology	190
Signs and Diagnosis	191
Starvation	192
Overview and Etiology	192
Signs and Diagnosis	192
Gout or Hyperuricemia	195
Overview and Etiology	195
Signs and Diagnosis	195
Ingestion of Foreign Bodies	195
Overview and Etiology	195
Signs and Diagnosis	195
Amyloidosis (Protein Misfolding Disease)	196
Overview and Etiology	196
Signs and Diagnosis	196
Exertional Myopathy	196
Overview and Etiology	196
Pododermatitis (“Bumblefoot”)	196
Overview and Etiology	196
Signs and Diagnosis	197
Spontaneous Neoplasia	197
Overview and Etiology	197

Toxicoses of Major Taxa	197
Heavy Metal Intoxications	197
Lead Toxicosis	197
Zinc Toxicosis	198
Mercury Toxicosis	199
Organophosphates and Carbamates	199
Overview and Etiology	199
Signs and Diagnosis	199
Treatment/Management	200
Per/Polyfluoroalkyl Substances	200
Biotoxins from Harmful Algal Blooms	200
Overview and Etiology	200
Signs and Diagnosis	200
Treatment/Management	201
Avian Vacuolar Myelinopathy	201
Overview and Etiology	201
Signs and Diagnosis	201
Differential Diagnoses	201
Treatment/Management	201
Botulism	201
Overview and Etiology	201
Signs and Diagnosis	202
Differential Diagnoses	202
Treatment/Management	202
Mycotoxigenesis	202
Overview and Etiology	202
Signs and Diagnosis	202
Treatment/Management	202

6 Aquatic Mammals 214

Pádraig Duignan

Parasitic Diseases of Major Taxa	214
Protista (Ciliates, Flagellates, Amoebae and Apicomplexa)	214
Etiology, Host Range and Transmission	214
Clinical and Gross Signs	216
Diagnosis	218
Differential Diagnoses	219
Treatment/Management	219

Trematoda: Digenia	220
Etiology, Host Range, and Transmission	220
Clinical and Gross Signs	220
Diagnosis	222
Differential Diagnoses	222
Treatment and Management	222
Cestoda	222
Etiology, Host Range, and Transmission	222
Clinical and Gross Signs	223
Diagnosis	224
Differential Diagnoses	224
Treatment and Management	224
Acanthocephala	224
Etiology, Host Range, and Transmission	224
Clinical and Gross Signs	225
Diagnosis	226
Differentials	226
Treatment and Management	226
Nematoda	226
Etiology, Host Range, and Transmission	226
Clinical and Gross Signs	227
Diagnosis	236
Differential Diagnoses	236
Treatment and Management	236
Arthropods	237
Etiology, Host Range, and Transmission	237
Clinical and Gross Signs	238
Diagnosis	240
Differential Diagnoses	240
Treatment and Management	240
Bacterial Diseases	240
Leptospirosis	240
Etiology, Host Range, and Transmission	240
Clinical and Gross Signs	241
Diagnosis	242
Differential Diagnoses	242
Treatment and Management	243
Brucellosis	243
Etiology, Host Range, and Transmission	243
Clinical and Gross Signs	243
Diagnosis	245
Differential Diagnoses	245
Treatment and Management	245
<i>Coxiella burnetti</i>	245
Etiology, Host Range, and Transmission	245
Clinical and Gross Signs	246
Diagnosis	246
Differential Diagnoses	246
Treatment and Management	246

Vibriosis	246
Etiology, Host Range, and Transmission	246
Clinical and Gross Signs	247
Diagnosis	248
Differentials	248
Treatment and Management	248
Pasteurellosis	248
Etiology, Host Range, and Transmission	248
Clinical and Gross Signs	248
Diagnosis	248
Differential Diagnoses	248
Treatment and Management	249
Enterobacteriaceae	249
Klebsiellosis	249
Etiology and Transmission	249
Clinical and Gross Signs	249
Diagnosis	251
Differential Diagnoses	252
Treatment and Management	252
Salmonellosis	252
Etiology, Host Factors, and Transmission	252
Clinical and Gross Signs	252
Diagnosis	252
Differentials	252
Treatment and Management	252
Melioidosis	253
Etiology, Host Factors, and Transmission	253
Clinical and Gross Signs	253
Diagnosis	253
Differential Diagnoses	253
Treatment and Management	253
Campylobacteriosis	253
Etiology, Host Factors, and Transmission	253
Clinical and Gross Signs	253
Diagnosis	254
Differentials	254
Treatment and management	254
Erysipelosis	254
Etiology, Host Factors, and Transmission	254
Clinical and Gross Signs	254
Diagnosis	254
Differentials	255
Treatment and Management	255
Nocardiosis	255
Etiology, Host Factors, and Transmission	255
Clinical and Gross Signs	255
Diagnosis	255
Differential Diagnoses	256
Treatment and Management	256

Other Pyogenic Bacteria	257
Clinical and Gross Signs	257
Diagnosis	257
Differential Diagnoses	257
Treatment and Management	258
Mycobacteriosis	258
Etiology, Host Factors, and Transmission	258
Clinical and Gross Signs	258
Diagnosis	258
Differential Diagnoses	259
Treatment and Management	259
Mollicutes	260
Etiology, Host Factors, and Transmission	260
Clinical and Gross Signs	260
Diagnosis	261
Differential Diagnoses	261
Treatment and Management	261
Fungal Diseases (Dermatophytosis and Systemic Mycosis)	261
Etiology, Host Factors, and Transmission	261
Dermatophytosis	262
Clinical and Gross Signs	262
Diagnosis	262
Differential Diagnoses	262
Treatment and Management	262
Systemic Mycosis	263
Clinical and Gross Signs	263
Diagnosis	266
Differential Diagnoses	266
Treatment and Management	267
Viral Diseases	267
RNA Viruses	267
Morbillivirus infection	267
Influenza	269
Coronaviruses	270
Caliciviruses	271
DNA Viruses	272
Herpesviruses	272
Papillomaviruses	273
Poxviruses	275
Adenoviruses	277
Non-Infectious Disease	277
Neoplasia	277
Etiology, Host Factors, and Transmission	277
Clinical and Gross Signs	278
Diagnosis	285
Differential Diagnoses	285
Treatment and Management	285

Toxins	285
Harmful Algal Blooms	285
Etiology, Host Factors, and Transmission	285
Clinical and Gross Signs	286
Diagnosis	292
Differentials	292
Treatment and Management	292
Persistent Organic Pollutants	292
Etiology, Host Factors, and Transmission	292
Clinical and Gross Signs	293
Diagnosis	293
Differentials	293
Treatment and Management	293
Heavy Metals	293
Etiology, Host Factors, and Transmission	293
Clinical and Gross Signs	294
Diagnosis	294
Differential Diagnoses	294
Treatment and Management	294
